

GENERAL RULES

Every appointing authority before making an appointment to a teaching post in medical college or institution shall observe the following norms :-

1. All Medical teachers must possess a basic University or equivalent qualification included in any one of the Schedules to the Indian Medical Council Act, 1956 (102 of 1956). They must also be registered in a State Medical Register or Indian Medical Register.
2. In the departments of Anatomy, Physiology, Biochemistry, Pharmacology and Microbiology, non-medical teachers may be appointed to the extent of 30% of the total number of the posts in the department. The Heads of these departments must possess recognized basic university medical degree qualification or equivalent qualification. However, in the department of Biochemistry, non-medical teachers may be appointed to the extent of 50% of the total number of posts in the department. In case of the paucity of teachers in non-clinical departments relaxation upto the Head of the Department may be given by the appointing authority to the non-medical persons if suitable medical teacher in the particular non-clinical speciality is not available for the said appointment. However, such relaxation will be made only with the prior approval of the Medical Council of India. A non-medical person cannot be appointed as Director or Principal or Dean or Medical Superintendent. In the departments of Community Medicine and Pharmacology, Lecturers in Statistics and Pharmacological Chemistry shall possess M.Sc. qualification in that particular subject from a recognized University.
3. Medical teachers in all Government Autonomous Medical Colleges except the Tutors, Residents, Registrars and Demonstrators must possess the requisite recognised Postgraduate Medical qualification in their respective subject.
4. The appointing authority may consider the holders of equivalent postgraduate qualification, which may be approved by the Medical Council of India from time to time, to have the requisite recognised qualification in the subject concerned.
5. The Medical Council of India shall determine equivalent qualification referred to in these regulations.
6. The teachers in a Government Autonomous Medical College or Institution having a total of eight years' teaching experience out of which at least five years teaching experience as Lecturer or Asst. Professor gained after obtaining postgraduate degree shall be recognised as postgraduate teachers in broad specialties. In the case of super-specialties only those teachers who possess eight years' teaching experience out of which at least five years' teaching experience as Lecturer / Asst. Prof. gained after obtaining the higher speciality degree shall be recognised as postgraduate teachers:

Provided that in the case of super-speciality courses which are being newly instituted, matter regarding relaxation of qualification and experience of postgraduate teachers may be taken up by the appointing authority with the Medical Council of India.

7. In cases where candidates with requisite experience are not available, a reference may be made by the appointing authority to the Medical Council of India for consideration on merits.
8. The present C&R rules are made incorporating the present MCI regulations. As and when the MCI makes any changes to the rules, the same shall mutatis-mutandis apply to the present C&R rules without any necessity to bring in any amendments.
9. The educational qualifications and other eligibility condition mentioned in the present C & R Rules are as per present MCI regulations. However, in case of any amendment with regards to educational qualification and other eligibility conditions by the MCI the C & R Rules will stand amended to that effect automatically.
10. As and when new courses are added to the Institution, the eligibility and qualifications prescribed by the Medical Council of India for teaching staff shall apply mutatis-mutandis to the new courses. However, age criteria for direct recruitment is applicable as present in other existing courses.
11. The total number of posts in any given cadre as on date is indicative for the Autonomous Institute and is subject to change with the prior approval of the Government.
- 12.
13. The scale of pay in any given cadre is subject to revision as and when the Government revises the AICTE pay scale of teachers.
