

# **General Information about the department**

The department of Obstetrics and Gynaecology strives to ensure health of women. The department prides itself on the high quality patient care in the areas of antenatal care, postnatal welfare, infertility, oncology and urogynaecology. It strives to incorporate excellent clinical services with a dedicated academic curriculum and advancing research activities. The department's vision is to establish a Centre of Excellence catering to the reproductive health needs of women, train the next generation and to continuously expand research. The department provides complete obstetrical care, comprehensive family welfare, infertility management, prenatal diagnosis, cancer treatment, endoscopic surgery, menopause management, pelvic-floor medicine and reconstructive surgery. The educational endeavours include teaching undergraduate medical students during their clinical rotation in MBBS and postgraduates.

## **GOALS OF THE DEPARTMENT**

### **1 Delivery of Quality and Safe Patient care services in Obstetrics and Gynaecology**

- a. Reducing Maternal Morbidity and Mortality and Perinatal Morbidity and Mortality by providing
- b. Quality antenatal care adopting safe delivery practices and quality post-natal services.
- c. Promoting Family Planning and to prevent unwanted pregnancies by providing free and patient-friendly contraceptive methods
- d. Prevention of Gynaecological malignancies by ensuring timely screening and follow-up
- e. To improve quality of life in women suffering from Pelvic organ dysfunction and menstrual disorders

### **2 Producing competent and skilled Primary care Graduates for the country**

By teaching evidence-based theoretical and clinical skills in Obstetrics and Gynecology to MBBS students with the aim to make them deliver primary level care of managing pregnancy and normal delivery safely

### **3 Producing Expert and Skilled Obstetricians and Gynaecologists for the Country**

By teaching evidence-based theory, clinical skills and operative skills to Postgraduates with the aim to make them expert caregivers in the field of Obstetrics and Gynecology

### **4 Conducting Ethical and Quality Research to contribute to the field of Obstetrics and Gynaecology**

By conducting research in the unexplored areas of Gynecological Oncology, Fetal medicine, Obstetric medicine, Perinatal medicine, Reproductive Medicine.

### **Teaching faculty – unit wise**

The following is the unit wise postings of the Teaching Staffs in OBG department. BMC-RI, Bangalore.

### **Vani Vilas Hospital**

#### **Unit -1**

| <b>SL No</b> | <b>Name</b>             | <b>Qualification</b> | <b>Designation</b>  |
|--------------|-------------------------|----------------------|---------------------|
| 1            | Dr. Savitha.C           | MD                   | Professor & HOD     |
| 2            | Dr. Jagannath Pairu     | MS,DGO               | Associate Professor |
| 3            | Dr. Ashok Kumar Devoor  | MS                   | Assistant professor |
| 4            | Dr. Umashankar K M      | MS                   | Assistant professor |
| 5            | Dr.Chaithra Ramachandra | MS                   | Assistant professor |

#### **Unit-II**

|   |                      |    |                     |
|---|----------------------|----|---------------------|
| 1 | Dr.Geethashivamurthy | MD | Professor           |
| 2 | Dr. Sudha H C        | MD | Assistant professor |
| 3 | Dr. Raksha.M         | MS | Assistant professor |
| 4 | Dr.Rashmi K K        | MS | Assistant professor |

#### **Unit -III**

|   |                     |    |                     |
|---|---------------------|----|---------------------|
| 1 | Dr.Sridevi Sanganna | MS | Professor           |
| 2 | Dr. Ashakiran T R   | MS | Assistant professor |
| 3 | Dr. Indumathi H K   | MS | Assistant professor |
| 4 | Dr. Ashok Kumar H S | MS | Assistant professor |
|   |                     |    |                     |

#### **Unit-IV**

|   |                           |    |                     |
|---|---------------------------|----|---------------------|
| 1 | Dr.Gopalkrishna B Huilgol | MS | Professor           |
| 2 | Dr. Prathima.S            | MS | Assistant professor |
| 3 | Dr. Shashikala B Patil    | MS | Assistant professor |
| 4 | Dr.Manuja.N               | MD | Assistant professor |

#### **Unit-V**

|   |                           |    |                     |
|---|---------------------------|----|---------------------|
| 1 | Dr. Suresh S Kanakannavar | MD | Professor           |
| 2 | Dr. Sarojini              | MS | Assistant professor |
| 3 | Dr. Anitha G S            | MS | Assistant professor |
| 4 | Dr. Sharadini C G         | MS | Assistant professor |
|   |                           |    |                     |

**Unit –VI**

|   |                  |        |                     |
|---|------------------|--------|---------------------|
| 1 | Dr. Srinivas.K   | MS,DGO | Associate Professor |
| 2 | Dr. Radhika      | MS     | Assistant professor |
| 3 | Dr.Tejaswini K K | MS     | Assistant professor |
| 4 | Dr. Tejaswini D  | DGO    | Senior resident     |

**Non teaching staff (names with designation)**

| <b>SL. No</b> | <b>Name</b>    | <b>Designation</b> |
|---------------|----------------|--------------------|
| 1             | Dr Kamalakshi  | Senior Specialist  |
| 2             | Dr Prabhavathi | “                  |
| 3             | Dr Suma K.S    | “                  |
|               |                | “                  |
| 1             | Dr.Bhanu B.T   | ICMO               |

**OFFICE**

| <b>SL. No</b> | <b>Name</b>           | <b>Designation</b>                    |
|---------------|-----------------------|---------------------------------------|
| 1             | Mrs.Vijayalakshmi H.M | Clerk with typist (on contract basis) |
| 2             | Mrs.Vijayamma         | Group D                               |

## Services provided by the department

### **FACILITIES AVAILABLE IN OUT-PATIENT DEPARTMENT:**

| S.No. | Name of the Clinic          | Days on which held | Timings      | Average No. of cases attended | Name of Clinic In-charge     |
|-------|-----------------------------|--------------------|--------------|-------------------------------|------------------------------|
| 1     | Ante-Natal Clinic           | On all days        | 9 am to 4 pm | 130-150                       | Unit chiefs                  |
| 2.    | High Risk pregnancy Clinic  | On all days        | 9 am to 4 pm | 40-50                         | Unit chiefs                  |
| 3     | Post Natal Clinic           | On all days        | 9 am to 4 pm | 20-30                         | Unit chiefs                  |
| 4     | Cancer Clinic               | Tuesdays           | 2 pm to 4 pm | 03-05                         | Dr Geetha<br>Shivamurthy     |
| 5     | Infertility Clinic          | Monday             | 2 pm to 4 pm | 05-06                         | Dr Savitha C                 |
| 6     | Gynae Endocrine Clinic      | Wednesday          | 9 am to 4 pm | 02-03                         | Dr.Gopalkrishna              |
| 7     | Family Planning Clinic      | On all days        | 9 am to 4 pm | 05-06                         | Unit chiefs                  |
| 8     | Menopausal Clinic           | Wednesday          | 2 pm to 4 pm | 05-06                         | Dr Gopalkrishna<br>B Huilgol |
| 9     | Any ther(adolescent clinic) | Thursday           | 2 pm to 4 pm | 05-06                         | Dr Suresh S<br>Kanakannavar  |

|   |                            |      |      |      |
|---|----------------------------|------|------|------|
| 8 | Total Number of Caesareans | 4890 | 5256 | 5719 |
|---|----------------------------|------|------|------|

**Dept of OBGYN conducts specialist OPD at Rural Health Centre on every Wednesday.**

## Academic Activities

## **6.Research Activities**

- **Research Projects**—(ongoing and completed)  
Many research projects are being conducted like ICMR, case control, prospective studies after ethical clearance
- **Dissertation topics with name of the student and guide**

| <b>Sl. No</b> | <b>Title</b>  | <b>Name of the student</b> | <b>Name of the guide</b>       |
|---------------|---|----------------------------|--------------------------------|
|               | <b>2017 Batch</b>   |                            |                                |
| 1             | Study To Evaluate Feto Maternal Outcome In Abruptio Placenta At A Tertiary Care Centre  | Dr. Ravikumar Gv           | Dr. Sunanda. K. M              |
| 2             | A Cross Sectional Clinical Study Of Hysterosalpingography To Evaluate Women With Infertility  | Dr Nischala S              | Dr. H. Sridevi Sanganna        |
| 3             | A Study Of Serum Procalcitonin-As A Biomarker Of Maternal Sepsis In Intensive Care Unit   | Dr.Shilpa                  | Dr.Amudha                      |
| 4             | A Study Of Coagulation Profile In Severe Preeclampsia & Eclampsia And Its Fetomaternal Outcome  | Dr.Zohra Batool            | Dr. Suresh. S. Kanakannavar    |
| 5             | Clinical Study Of Peripartum Cardiomyopathy In A Tertiary Care Hospital   | Dr.Pallavi K B             | Dr. Geetha Shivmurthy          |
| 6             | A Study On Outcome Of Labor Between Induced And Spontaneous Delivery Of Multiparous Women   | Dr.Rizwana Afreen          | Dr.Sudha                       |
| 7             | Study To Evaluate Clinical Profile And Risk Factors Of Eclampsia At A Tertiary Care Centre  | Dr.Girish K M              | Dr.Jaganath Pairu              |
| 8             | Study Of Correlation Of Umbalical Cord C Peptide With Hypoglycemia In Infants Of Diabetic Mother  | Dr.Shankar H K             | Dr.Ashok Kumar Devoor          |
| 9             | A Comparative Study Of Who Modified Partograph With Paperless Partograph In The Effective Management Of Labour                              | Dr.Rohini D K              | Dr. Gopalakrishna. B. Hulligol |
| 10            | A Comparative Study Of Effect Of Normal Saline And Dextrose Saline On Duration Of Labour In Nulliparous Women                               | Dr Anoop G K               | Dr.Srinivas.K                  |
| 11            | A Clinical Study On Contraceptive Awareness And Acceptance Of Dmpa In Post Abortal Women  | Dr. Priyanka Holla         | Dr. Savitha. C                 |
|               | <b>2018 Batch</b>   |                            |                                |
| 1             | Comparative Study Of Hdp In Women With And Without Gdm  | Dr. Keerthi Gowda          | Dr. Suresh Kanakannavar        |
| 2             | A Study On The Outcome Of Mifeprestone And Foley's Balloon For Induction Of Labour In Iufd With Scarred Uterus                              | Dr. Sindhusa Vuppula       | Dr. Gopalakrishna. B. Huilgol  |
| 3             | Use Of Mifeprestone And Misoprostol Versus Use Of Misoprostol For Induction Of Labour In Term And Post Dated Pregnancy: A Comparative Study | Dr.Harshitha N             | Dr. Savitha. C                 |

|    |  |                        |                            |
|----|--|------------------------|----------------------------|
| 4  | Prospective Comparative Study Between Modified Goff Symptom Index And Risk Of Malignancy (Rmi) 1 Scoring System In Diagnosing Nature Of Ovarian Tumours                              | Dr. Shruthi Bavikatti  | Dr. Sunanda. K. M          |
| 5  | Association Of Lipid Profile And Maternal Body Mass Index In Pre-Eclampsia : A Case Control Study  | Dr. Arunkumar G        | Dr.Srinivas.K              |
| 6  | Effect Of Ropivacaine Epidural Analgesia On The Stages Of Labour And Fetomaternal Outcome  | Dr. Priyanka Sukumar   | Dr. H. Sridevi Sanganna    |
| 7  | A Prospective Study To Assess The Clinical Efficacy Of Rapid Biophysical Profile In The Antenatal Assessment Of Fetal Well Being Using Maps Apparatus                                | Dr. Saba Nausheen      | Dr.Sudha H.C               |
| 8  | A Prospective Study To Assess The Safety And Expulsion Rate Of Dedicated Post Partum Intrauterine Device Inserter  | Dr. Ankitha G Bhat     | Dr. Geetha Shivmurthy      |
| 9  | Prospective Study Of Clinical Profile And Outcome Of Pulmonary Edema In Hypertensive Disorder Of Pregnancy During Antenatal And Post Natal Period                                    | Dr. Sukeshini Deshmukh | Dr. Savitha. C             |
| 10 | Evaluation Of Thyroid Profile In Aub   | Dr. Akshay Kumar S     | Dr. Geetha Shivmurthy      |
| 11 | Clinical Study And Outcome Of Obstetric Emergencies In Tertiary Care Centre  | Dr. Asl Babu           | Dr.Ashok Kumar Devoor      |
| 12 | To Study The Association Of Maternal Vitamin D Status During Labour With Feto Maternal Outcome   | Dr. Deepthi Bhat       | Dr.Jaganath Pairu          |
|    | <b>2019 Batch</b>  |                        | Dr. Savitha. C             |
| 1  | Comparison Of Intravenous Single Dose Cefotaxime Prophylaxis Versus Multiple Doses Of Cefotaxime In Reducing Elective Cesarean Section Infection Morbidity In A Tertiary Care Centre | Dr.Chandramohan        | Dr.Gopalkrishna.B. Huilgol |
| 2  | Diagnostic Accuracy Of Spot Urine Protein Creatinine Ratio In Comparison To 24 Hours Urine Protein In Quantification Of Proteinuria In Pre-Eclampsia And Maternal And Fetal Outcome  | Dr. Manasa Gowda       | Dr.Prathima.S              |
| 3  | Association Of Maternal Haemoglobin And Neonatal Outcome In Tertiary Care Hospital   | Dr. Ashwini B          | Dr.Jaganath Pairu          |
| 4  | Evaluation Of Antenatal Admission To Icu   | Dr. Divya Jg           | Dr.Sarojini                |
| 5  | Study Of Maternal And Fetal Outcome In Pregnant Women After 32weeks Period Of Gestation With Abnormal Liver Function Tests   | Dr.Sowmyashree G S     | Dr. Suresh S Kanakannavar  |
| 6  | A Study To Compare The Umbilical Artery Doppler And Non Stress Test In Assessing The Fetal Well Being In Pregnant Women With Gestational Diabetes Mellitus                           | Dr. Gouri Hukkeri      | Dr.Sudha H.C               |
| 7  | Evaluation Of Post Partum Convulsions In A Tertiary Care Centre  | Dr. Madhushree Mane    | Dr.Asha Kiran T R          |
| 8  | Assessment Of Integrated Prediction Model For Pre-Eclampsia  | Dr. Ganga B            | Dr.Srinivas.K              |

|    |   |                         |                            |
|----|---|-------------------------|----------------------------|
| 9  | Serum Homocysteine And Serum Folate Levels As Materno-Fetal Indicator In Pre-Eclampsia Women  | Dr.Bhavani              | Dr. Geetha Shivmurthy      |
| 10 | A Study Of Rdw And Platelet Indices In Pre-Eclampsia In A Tertiary Care Hospital  | Dr.Greeshma B J         | Dr.Huded. Sridevi Sanganna |
| 11 | A Cross Sectional Study Of Maternal Near Miss Due To Hypertensive Disorders Of Pregnancy And Obstetric Haemorrhage At A Tertiary Care Centre                                | Dr.Sanjana M            | Dr. Suresh S Kanakannavar  |
| 12 | Comparative Study Of Efficacy And Safety Of Sublingual And Vaginal Misoprostol In Second Trimester Abortions  | Dr. Fida Afreen         | Dr.Gopalkrishna.B. Huilgol |
| 13 | Assessment Of Caesarean Section Rate Among High Risk Pregnancies By Robson Criteria In A Tertiary Care Centre   | Dr Anushree R           | Dr.Gopalkrishna.B. Huilgol |
| 14 | Analysis Of Etiology And Risk Factors In Stillbirth   | Dr Rashmi Gowda         | Dr. Savitha. C             |
| 15 | Prophylactic Use Of Adjuvant Azithromycin Along With Cefotaxime In Emergency LSCS   | Dr Nayana Ms            | Dr.Radhika                 |
| 16 | Indications, Intra-Op And Post Op Maternal And Fetal Complications Of Second Stage C-Sections   | Dr Sindhu N             | Dr.Jaganath Pairu          |
| 17 | Study To Indication And Outcome Of Primary Caesarean Sections In Tertiary Care Centre   | Dr Varsha Nagaraj       | Dr.Huded. Sridevi Sanganna |
| 18 | Effect Of Folic Acid And Vitamin B12 Supplementation On Hyper Homocysteinemia In Pregnant Women With Recurrent Pregnancy Loss – A Prospective Study                         | Dr Kaushalya Mk         | Dr.Ashok Kumar Devoor      |
| 19 | Diagnostic Value Of Pipelle In Endometrial Biopsy Among Patients With Abnormal Uterine Bleeding In A Tertiary Care Hospital – Cross Sectional Study                         | Dr Pooja Bp             | Dr. Geetha Shivmurthy      |
| 20 | Role Of Music Therapy In Improving Treatment Efficacy Of PPH  | Dr Syeda Afifiya Siddiq | Dr. Geetha Shivmurthy      |
| 21 | Assessment Of Persistent Hyperglycemia In Women With Gestational Diabetes Mellitus At 6 Weeks Postpartum  | Dr Jaffi Constin Pn     | Dr. Savitha. C             |
| 22 | A Correlation Study Of Suspicious And Abnormal Cardiotocography Tracings With Cord Blood Analysis In Babies Delivered By Caesarean Section For Cardiotocography Abnormality | Dr Pavithra Pm          | Dr.Srinivas.K              |
| 23 | Study Of Congenital Anomalies And Associated Maternal Risk Factors  | Dr Rajeshwari Banakar   | Dr. Savitha. C             |
