

Kindly provide the following information for updating the BMCRI website as per Govt of Karnataka guidelines by 30th November 2020, director_bmcricri@yahoo.co.in

General Information about the department

The department was first established in the Puttana Chetty Block in April, 1975 due to the efforts of Dr. C.N. Bhan Singh. In 1992, new in-patient hospital was started with 10 beds exclusively for de-addiction. In 2002, psychiatry department had an in-patient ward of its own and started evolving as an independent department. OPD's run everyday of the week with emergency services. Expertise in specialties of Adult, Child and Adolescent, Addiction and Geriatric psychiatry, Psycho-sexual clinic, Suicide prevention clinic and Legal services are provided.

The department is playing a significant role by being a nodal centre for training of medical officers in DMHP. Manochintana radio and Doordarshan television programmes have been aired. Certification for mental retardation, autism, mental illness, transgender is being done a regular basis.

The workforce consists of 6 regular psychiatrists, 3 contract psychiatrists, 4 clinical psychologists, 1 social worker, 4 staff nurses. Post graduate intake is 5 students per year in MD Psychiatry.
